Chapter 3 – General Institution

AP 3434 RESPONDING TO HARASSMENT BASED ON SEX UNDER TITLE IX

References:

- 20 U.S. Code Sections 1681 et seq.;
- 34 Code of Federal Regulations Parts 106.1 et seq.;
- Education Code Section 67386

Introduction

The District encourages members of the District community to report sexual harassment. This procedure only applies to conduct defined as sexual harassment under Title IX and applicable federal regulations and that meets Title IX jurisdictional requirements. The District will respond to sexual harassment and sexual misconduct that falls outside that definition and outside the jurisdiction of the Title IX federal regulations using California law and applicable District policies and procedures. In implementing these procedures discussed below, the District will also provide supportive measures, training, and resources in compliance with California law, unless they are preempted by the Title IX regulations.

Title IX Coordinator

Questions concerning Title IX may be referred to the District Title IX Coordinator whose contact information is below.

The District's Title IX Coordinator is the Associate Vice-President of Human Resources and the Title IX Coordinator's contact information is:

- 4901 East Carson St.
Long Beach, CA 90808, T-1040
- (562) 938-4095
- Title_IX@lbcc.edu

The Title IX Coordinator is required to respond to reports of sexual harassment or misconduct. The Title IX Coordinator will handle information received with the utmost discretion and will share information with others on a need-to-know basis. For example, the Title IX Coordinator may need to address public safety concerns on campus, comply with state and federal legal requirements, or share information to implement supportive measures.

A report of sexual harassment to the Title IX Coordinator does not necessarily lead to a full investigation, as discussed more fully below. However, the Title IX Coordinator will

- The Respondent did not take reasonable steps to ascertain whether the Complainant affirmatively consented; or
- The Respondent knew or a reasonable person should have known that the Complainant was unable to consent because the Complainant was incapacitated, in that the Complainant was:
 - asleep or unconscious;
 - unable to understand the fact, nature, or extent of the sexual activity due to the influence of drugs, alcohol, or medication; or
 - unable to communicate due to a mental or physical condition.

Decision-Maker: The person(s) who will oversee the live hearing and make a determination of responsibility. The District may have one Decision-Maker determine whether the Respondent is responsible, and another Decision-

his/her/their safety or the safety of others or suffer substantial emotional distress.

Receipt of Report

After receiving a report of sexual harassment, the Title IX Officer will contact the Complainant and reporting party to explain rights under this policy and procedure and invite the Complainant to an in-person meeting. The Title IX Officer will discuss supportive measures with the Parties.

Timeframe for Reporting

To promote timely and effective review, the District strongly encourages individuals to report sexual harassment as soon possible because a delay in reporting may affect the ability to collect relevant evidence and may affect remedies the District can offer.

Supportive Measures

Supportive measures are non-disciplinary, non-punitive individualized services offered free of charge to the Complainant or the Respondent regardless of whether a formal complaint has been filed. The District will provide the Complainant and Respondent with supportive measures as appropriate and as reasonably available to restore or preserve equal access to the District's education program or activities. These measures are designed to protect the safety of all Parties, protect the District's educational environment, or deter sexual harassment. The District will provide supportive measures on a confidential basis and will only make disclosures to those with a need to know to enable the District to provide the service. Supportive measures may include counseling, extensions of deadlines, other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the Parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures.

Removal of Respondent Pending Final Determination

Upon receiving a report regarding sexual harassment, the Title IX Coordinator will make an immediate assessment concerning the health and safety of the Complainant and campus community as a whole. The District has the right to order emergency removal of a Respondent, or if the Respondent is an employee, place the employee on administrative leave.

Emergency Removal

The District may remove a student Respondent from the District's education program or activity on an emergency basis after it conducts an individualized safety and risk analysis and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal.

The District may not use emergency removal to address a Respondent's threat of obstructing the sexual harassment investigation or destroying relevant evidence. Emergency removal is only available to address health or safety risks against individuals arising out of sexual harassment allegations, not to address other forms of misconduct that a Respondent might commit pending the processing of a complaint.

The District's Dean of Student Affairs or designee will conduct the individualized safety and risk analysis.

If the Dean of Student Affairs determines emergency removal is appropriate, he/she/they or designee will provide the person the District is removing from campus on an emergency basis with a notice and opportunity to attend a meeting and challenge the basis of his/her/their removal. The Dean of Student Affairs or designee will determine whether the emergency removal from campus order is warranted after considering information provided by the Respondent challenging the emergency removal.

Administrative Leave

The District may place a non-student employee Respondent on administrative leave during the pendency of a grievance process described in the formal complaint process below. The District will follow any relevant policies, procedures, collective bargaining agreements, or state law in placing an employee on administrative leave.

Formal Complaint Grievance Process

Notice to Parties

Upon receipt of a formal complaint, the Title IX Coordinator will provide the following notice in writing, to the Parties:

- Notice of the District's Title IX grievance process;
- Notice of the allegations of alleged sexual harassment with sufficient details known at the time and with sufficient time to prepare a response before any initial interview;
- Statement that the Respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process;
- Notice that the Parties may have Advisor of their choice, who may be, but is not required to be, an attorney;
- Notice that the Parties may inspect and review any evidence obtained as part of

- If the conduct alleged in the formal complaint would not constitute Title IX sexual harassment as defined in this procedure;
-

the personal or professional backgrounds, positions, beliefs, or interests of the Decision-Maker in the process. The District will ensure that the Title IX Coordinator, investigator, Decision-Maker, and facilitator receive training on:

- The definition of sexual harassment in this procedure;
- The scope of the District's education program or activity;
- How to conduct an investigation;
- The grievance process including conducting hearings, appeals, and informal resolution processes; and
- How to serve impartially, including avoiding: prejudgment of the facts at issue; conflicts of interest; and bias.

Timeline for Completion

The District will undertake its grievance process promptly and as swiftly as possible. The District will complete the investigation and its determination regarding responsibility or the informal resolution process within 180 calendar days.

When appropriate, the Title IX Coordinator may determine that good cause exists to extend the **180** calendar day period to conduct a fair and complete investigation, to accommodate an investigation by law enforcement, to accommodate the unavailability of witnesses or delays by the Parties, to account for District breaks or vacations, or due to the complexity of the investigation. The District will provide notice of this extension to the Complainant and Respondent in writing and include the reason for the delay and anticipated timing of completion.

A Party may request an extension from the Title IX Coordinator in writing by explaining the reason for the delay and the length of the continuance requested. The Title IX Coordinator will notify the Parties and document the grant or denial of a request for extension or delay as part of the case recordkeeping.

Role of Advisor

The role of the Advisor is to provide support and assistance in understanding and navigating the investigation process.

The Advisor may not testify in or obstruct an interview or disrupt the process. The Title IX Coordinator has the right to determine what constitutes appropriate behavior of an Advisor and take reasonable steps to ensure compliance with this procedure.

A Party does not have a right to self-representation at the hearing; an Advisor must conduct any cross-examination. The District must provide an Advisor of its choice, free of charge to any Party without an Advisor in order to conduct cross-examination. If 0 Tdd(i)1.33 0 T

review in an electronic format or a hard copy. The Parties will have at least ten days to submit a written response. The investigator must consider this written response prior to completing the investigative report.

Investigative Report

The results of the investigation of a formal complaint will be set forth in a written report that will include at least all of the following information:

- A description of the circumstances giving rise to the formal complaint;
- A description of the procedural steps taken during the investigation, including all individuals contacted and interviewed;
- A summary of the testimony of each witness the investigator interviewed;
- An analysis of relevant evidence collected during the investigation, including a list of relevant documents;
- A specific finding as to whether the allegations occurred using a preponderance of the evidence standard;
- A table of contents if the report exceeds ten pages; and
- Any other information deemed appropriate by the District.

The investigator will not make a determination regarding responsibility.

The investigator may redact information not directly related to the allegations or privileged information. However, the investigator will keep a log of information he/she/they do not produce to the Parties. The investigator will provide this log only to the Title IX Coordinator. The Title IX Coordinator will not disclose the log to the Parties but will maintain the log in the Title IX Coordinator's file, in the event it later becomes relevant.

At least ten days prior to a hearing, the District will send the investigative report to each (e)10e (i)6 (c)

provide any or all Parties, witnesses, and other participants the ability to appear at the live hearing virtually, with technology enabling participants simultaneously to see and hear each other in real time.

The District will make the information reviewed during the Evidence Review available at the hearing for reference and consultation. The District will not restrict the ability of either Party to discuss the allegations under investigation or to gather and present relevant evidence.

The District will create an audio or audiovisual recording, or transcript, of any live hearing and make it available to the Parties for inspection and review.

Decision-Maker

The Decision-Maker will be free from conflict of interest or bias, including bias for or against Complainants or Respondents. ***In cases where the Complainant or Respondent objects to the Decision-Maker based on a conflict of interest, the Complainant or Respondent may request the Title IX Coordinator select a different Decision-Maker. The Complainant or Respondent must make this request to the Title IX Coordinator in writing at least 5 business days prior to the hearing.***

The Decision-Maker may ask the Parties and the witnesses questions during the hearing. The Decision-Maker must objectively evaluate all relevant evidence both inculpatory and exculpatory and must independently reach a determination regarding responsibility without giving deference to the investigative report. The Decision-Maker must receive training on issues of relevance, how to apply the rape-shield protections for Complainants, and any technology to be used at the hearing.

Presenting Witnesses

The District will provide the Complainant and Respondent an equal opportunity to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence. Witnesses, like Parties, are not required to participate in the live hearing process.

Only relevant evidence will be admissible during the hearing. Relevant evidence means evidence, including evidence relevant to the credibility of a Party or witness, having any tendency in reason to prove or disprove any disputed fact material to the allegations under investigation.

Cross-Examination

The District shall permit each Party's Advisor to ask the other Party and any witness relevant questions, including questions challenging credibility. The Party's Advisor must conduct cross-examination directly, orally, and in real time. A Party may never personally conduct cross-examination.

If a Party or witness does not submit to cross-examination at the live hearing, the Decision-Maker will not rely on any statement of that Party or witness in reaching a determination regarding responsibility.

Before a Complainant, Respondent, or witness answers a question, the Decision-Maker must first determine whether the question is relevant and explain any decision to exclude a question as not relevant. The Decision-Maker need not provide a lengthy or complicated explanation in support of a relevance determination.

- Findings of fact supporting the determination. In making these findings, the Decision-Maker will focus on analyzing the findings of fact that support the determination of responsibility or non-responsibility;
- Conclusions regarding the application of the District's code of conduct to the facts;
- A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility;
- A statement of, and rationale for, any disciplinary sanctions the District imposes on the Respondent;
- A statement of whether the District will provide the Complainant with remedies designed to restore or preserve equal access to the District's education program or activity;
- The District need not disclose to the Respondent remedies that do not affect him/her/them as part of the written determination. The District can inform the Respondent that it will provide remedies to the Complainant. However, the District will inform the Complainant of the sanctions against the Respondent;
- The District's procedures and permissible bases for the Complainant and Respondent to appeal.

The District will provide the written determination to the Parties simultaneously. The determination regarding responsibility becomes final either on the date that the District provides the Parties with the written determination of the result of the appeal, if the Parties file an appeal, or if the Parties do not file an appeal, the date on which an appeal would no longer be timely.

Disciplinary Sanctions and Remedies

The District must have completed the grievance procedures (investigation, hearing, and any appeal, if applicable) before the imposing disciplinary sanctions or any other actions that are not supportive measures against a Respondent. If the Decision-Maker determines the Respondent was responsible for conduct that constitutes sexual harassment, the District will take disciplinary action against the Respondent and any other remedial action it determines to be appropriate. The action will be prompt, effective, and

Decision-Maker explaining the need for the extension and the proposed length of the extension. The Decision-Maker will respond to the request within 48 hours in writing and will inform the Parties simultaneously whether the extension is granted.

Informal Resolution

If the District determines that a formal complaint is appropriate for informal resolution, it may provide the Parties with the opportunity to participate in an informal resolution process, including mediation, at any time prior to reaching a determination regarding responsibility.

The District will provide the Complainant and Respondent written disclosure of the allegations, the requirements of the informal resolution process including the circumstances under which it precludes the Parties from resuming a formal complaint arising from the same allegations, and any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.

The District must obtain the Parties' voluntary, written consent to the informal resolution process. If the Parties reach an agreement, the District does not have to complete a full investigation and adjudication of a report of sexual harassment. At any time prior to agreeing to a resolution, any Party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint.

The informal resolution process is not available to resolve allegations that an employee sexually harassed a student.

Retaliation Prohibited

resolution processes, as applicable, and how to serve impartially, including avoiding prejudgment of the facts at issue, conflicts of interest, and bias. Any materials used to train the District's Title IX Coordinator, investigators, Decision-Makers, and any person who facilitates an informal resolution process, will not rely on sex stereotypes and must promote impartial investigations and adjudications of formal complaints of sexual harassment.

File Retention

The District will retain on file for a period of at least seven years after closing the case copies of:

- The original report or complaint;
- Any actions taken in response to the complaint, including supportive investigations (ec4 (oi)6 (j) 53./M4CID 7 Balo 954 d(oi)6 (;)TJ0
