Title 5 Sections 51006, 58106, and 58108

All courses of the District shall be open to enrollment, subject to a priority system that may be established. Enrollment also may be limited to students meeting properly validated prerequisites and co-requisites, or due to other, practical considerations.

The Superintendent-President shall establish procedures defining enrollment priorities, limitations, and processes for student challenge, which shall comply with Title 5 regulations.

Registration

The District shall ensure that a registration system exists which shall provide for the enrollment of all students who meet the admissions requirements of the college. Registration shall be contingent upon satisfactory compliance with existing state regulations and Long Beach Community College District Board policies regarding foreign and out-of-state residency status.

Maximum Student Unit Load

The District shall permit a student to enroll for a unit load dictated by the individual's motivation, ability, and interest but within the guidelines of a maximum full-time load during the regular semester and the summer.
