Revised Transfer Degrees

Associate in Science in Film, Television, and Electronic Media for Transfer (A.S.)
(Plan Code: 5507B/C)

The Associate in Science in Film, Television and Electronic Media for Transfer is designed to provide students the opportunity to complete the division major and general education preparation for transferring to a CSU as a Film, Television and Electronic Media major. The study of Film, Television and Electronic Media serves two purposes: it gives students the basic skills of media analysis and the basic technical skills and knowledge of media production. Students learn to analyze media and articulate the historical, social, and aesthetic functions of that media and also learn the basic production practices that goes into making film/tv/web content. Coursework familiarizes students with classic film/tv/media works and standard production techniques to build a foundation for future production and/or analytical work. The goal of this curriculum is a comprehensive preparation for further academic study and ultimately a baccalaureate degree for those considering professional careers and/or admission to a graduate program.

Program Student Learning Outcomes:

- Analyze film, television and/or media works for formal and thematic meaning.
- Demonstrate basic operational skills of film, television, and/or media production and post-production technologies.

Associate in Arts in Geography for Transfer Degree (A.A.)

Associate in Arts in Music for Transfer Degree (A.A.T.), (Plan Code: 5008B/C)

The goals of the Associate in Arts in Music for Transfer degree are academic transfer to a university and preparation for audition into a university music program. The AA provides a streamlined core set of courses designed to align with comparable BA music degrees; BM degrees are available as well, depending on the institution.

Program Student Learning Outcomes:

Students will develop audition and ensemble repertoire and performance techniques at a level appropriate for transfer to a CSU.

Students will develop proficiency in their music coursework, specifically theory and musicianship, at a level appropriate for transfer to a CSU.
